

Kids Raise Cash for Space Camp
The Piedmont School
High Point, NC

October 17, 2007

The students are trying to raise \$9,000-\$10,000 for two buses to attend Space Camp in Huntsville, Alabama in the spring of 2009. After the Jog-a-Thon today the total raised is \$3742.75. There are still some pledges coming in from the PTO and friends of TPS.

The 30 minute Jog-a-Thon was twofold: to reinforce what the students have been learning in physical education and science classes about the importance of health AND to raise money for the camp.

Want to donate?

What: The Piedmont School's trip to Space Camp next April.

Where: Donations should be sent to The Piedmont School,
815 Old Mill Road, High Point, NC 27265. The nonprofit school
will also accept credit card payments over the phone, 883-0992

Founded in 1982, The Piedmont School is a co-educational, non-profit organization dedicated to educating children who have learning differences and/or Attention Deficit Hyperactivity Disorder. Students in first through eighth grade attend the school.
