

Dear PTO Members:

Jamie and I thought you all would like to know what your hard work, volunteerism, and monies have accomplished the past 4 months:

1. The Sock Fundraiser raised \$936 and the Fall Book Fair raised \$941. These amounts were combined to purchase the second Smartboard for TPS.
2. The following items were purchased from the Teachers' Wish List for needed classroom items: 6 sets of Algebra Tiles for usage in Math, a drying rack for Art, 10 headphones for Computer Lab, and a mobile Listening Center.
3. Currently, the collection total of Money for Media is \$410.75.
4. The total monetary amount of Capri Sun drinks sold during lunch is \$197.

These accomplishments would not be possible without your help! We appreciate your time, synergy, fortitude, patience, physical and mental input, and positive regard for The Piedmont School.

Please keep sending in your filled change containers for Money for Media, Box Tops, Campbell soup labels, Capri Sun, Kool Aid, and Honesty Kid empty drink pouches, empty ink cartridges, and allowing your child to purchase Capri Sun drinks during lunch.

Also, the next scheduled PTO meeting is Monday, January 11, 2010 1:30 to 2:30 pm in the school's Media Center. We would love your input if you are able to attend.

We plan to compile another PTO accomplishment update in another 4 months. Imagine what we all will have accomplished by that time!

We Appreciate You All,

Jamie 😊 and Ivy 🙏
